

Summer Freedom Drop In Program

At Fremont Community School for children ages 3 to 6

Runs daily from
June 9th - August 29th
from 9 am to 1 pm *or*
from 1 pm to 5 pm.

Are you looking for a fun, relaxed summer school for your children?

FCS is a small non-profit school nestled between Fremont and Wallingford, just north of Lake Union. Our school house is situated in an orchard full of fruit trees, where our children have full time access to outside play. Our resident rabbit happily hops around with the children while they play in our harbor of “pirate ships”, dig in our garden, splash in the water table or simply run around.

Inside we focus on imaginative play. Children dress up and set up “homes” or “caves” or “burrows”, depending on what they are pretending to be in the moment. Arts and crafts are available to those wishing to participate, with a special focus on nature and natural fibers and age appropriate projects.

Snack is always healthy and very often organic.

The program is run with family time in mind. You can opt to come daily or weekly or randomly, whatever best fits your needs.

All punch cards must be purchased by May 16th. That will lock in your price for the entire summer, even if you purchase more sessions later. Use it or lose it! All of our summer freedom punch cards and camps are NON-REFUNDABLE and NON TRANSFERABLE. Our summer programs are open to the wider Seattle community, so please help us spread the word! FCS also offers Summer Art Camps for children of various ages, from 5-9 years old. Please contact us for more information. Any questions? Please call Tara Katz at 206-228-4782 or email her at fcschickadees@comcast.net.
